## Council in move to set up a new youth club

Every little helps Tesco's diabetes charity

■ GLORIOUS sunshine and a large crowd contributed to the success of a family fun day held on The Minster Green in Axminster to raise money for Axminster Tesco's charity of the year, Diabetes UK. The event was organised by Tesco employee Kath Rabjohns with the help of her daughters, Sarah Bolton and Sharon Clarke, and attended by store

manager Shaun Pitts.

The fun day was opened by the Lord of The Manor, Jim Rowe, and public address system operated by Councillor Mervyn Symes.

The fun day made a profit of just over £641 and Mrs Rabjohns thanked all those who supported the fun day.

AXMINSTER Town Council may assume interim responsibility of the Axminster Youth Centre building, formerly Pippins.

Mayor Jeremy Walden has arranged an extra-ordinary meeting of the town council to discuss the possibility, to be held in the Guildhall today (Tuesday) from 6pm.

Organisations and individuals were invited to make expressions of interest to either manage the building or rent a space in it after Devon County Council's (DCC) decision to close its youth club as part of a cost-cutting programme.

At least two expressions of interest have been made - a joint bid by Axe Valley Community College and Axminster Tools & Machinery plus a separate bid by Anna Jacobs of The Montessori Nursery Ltd.

But Councillor Walden believes it will be at least six months until a long-term arrangement is in place, which leaves current tenant The Project (which supports young people with mental health issues) in limbo.

In addition, Councillor Walden is also keen to set up an alternative youth club as soon as possible, although not necessarily in Pippins.

He said: "With youth services withdrawn, the centre is due to close on September 1st.

"This will mean there will be no venue for The Project or the youth club.

### Kilmington woman, 83, dies after crash

A KILMINGTON woman died in hospital after being struck by a car on the A35 last week.

The incident occurred at around 9.09pm on Thursday last week on the A35 at the area adjacent to the bus shelter and the Old Inn public house car park in Kilmington.

The woman has been identified as Iris Piper, 83.

The police spokesperson said "A single vehicle, a VW Polo, travelling towards Honiton was in collision with a female pedestrian.

"She appears to have been crossing the road walking towards the Old Inn public house. Police would like to speak to anyone who saw the lady close to the scene prior to the collision.

"The woman was conveyed by ambulance to the RD&E Hospital in Exeter where she died soon after. The driver of the vehicle, a local woman, was uninjured."

Police are appealing for witnesses to the incident and in particular to anyone who may have seen either the VW Polo or the pedestrian prior to the collision and are asked to call police on 101 quoting police reference 789 210814.

## AXMINSTER Council move to set up youth club

**AXMINSTER** Town Council may assume interim responsibility of the Axminster Youth Centre building, formerly Pippins.

Mayor Jeremy Walden has arranged an extra-ordinary meeting of the town council to discuss the possibility, to be held in the Guildhall today (Tuesday) from 6pm.

Organisations and individuals were invited to make expressions of interest to either manage the building or rent a space in it after Devon County Council's (DCC) decision to close its youth club as part of a cost-cutting programme.

At least two expressions of interest have been made – a joint bid by Axe Valley Community College and Axminster Tools & Machinery plus a separate bid by Anna Jacobs of The Montessori Nursery Ltd.

He said: "With youth services withdrawn, the centre is due to close on September 1st.

"This will mean there will be no venue for The Project or the youth club.

Councillors Paul Hayward, Lara Rowe and I are working with interested volunteers and young people to set up a new youth club, as a separate organisation, not necessarily site-specific, and this is ongoing.

"What is clear is that both The Project and the youth club need a home for the short-term, and I agreed to investigate with the town council if we could take on responsibility until more concrete solutions can be formulated.

"I must emphasise that I did not commit the town council to anything beyond a discussion of what we are able and willing to do."

## From the editor's chair Tigers will roar again soon

**I WAS** privileged to get a sneak preview of Axminster Town's new football ground in Chard Road last week, courtesy of a personal tour by club chairman Ray Self.

As someone who has failed miserably to bring new and better facilities to my own home town club, I left the site a very jealous man. The Tigers' new stadium is nothing short of breathtaking in design and quality of finish.

As always with such major projects, there's been a few hiccups along the way, especially with the laying and drainage of the pitches.

But Axminster Town players will soon be running out on what I consider the best football pitch for an amateur club in Devon, perhaps further afield.

As a former player for the Tigers (I played for the club in the late 1960s and have never lived it down in Lyme Regis), I always had a fond regard for Sector Lane. It was always considered to be one of the best football pitches in the area and there were many who opposed the demise of their beloved Sector and the move to Chard Road.

Those who ran Axminster Town FC many years ago made the brave decision to buy Sector Lane – a decision which has enabled to club to sell the

land to developers who have, in return, provided the new facilities at Chard Road.

This is a project that has dominated chairman Ray Self's life for 12 years and during that time he has had to overcome many problems and a good deal of resistance. But he has never wavered from his dream of providing the town's footballers with the very best facilities. That dream will soon become a reality and when that day comes Ray Self should be a very proud man indeed.

There will be work still to be done rebuilding the football structure, especially the development of a youth section, so very necessary today. That will be the club's next challenge and I have no cause to believe they won't meet it.

If they get the football structure right, I believe every top player in this area will want to play for Axminster Town. It's the nearest they will get to playing at a professional club.

And with wonderful facilities, the new ground will become Axminster's premier venue for social events.

Chard Road will soon become the new Sector Lane – but much better. I wish them every success over the next few months in their transition to a new home of which they can be justly proud.

*Philip Evans*

## SEATON Disruption to be kept to minimum

**IN AN** effort to minimise disruption during the summer season, project managers for Seaton Jurassic – the new visitor centre – have re-jigged the programme slightly to allow the road reconfiguration to take place alongside the site set-up.

This means the car park on The Underfleet can stay open throughout the main summer period.

This has been achieved without any change to the completion date, which is still expected to be summer 2015 with a 'soft opening' in the autumn.

Councillor Ian Thomas, East Devon District Council's cabinet member for economy, said: "We've tried to be as flexible as possible to allow Seaton Carnival to use the car park and for the main summer season to have passed.

"However it is important to do this without delaying completion of the first hub so that there is the potential to open the shop and cafe next summer.

"Seaton Jurassic will be a major attraction to the town so while we are keen to get it open as soon as we can, we do not want to compromise on quality or cut any corners."

When work begins, fencing will appear around the site, temporary offices will be installed and approximately a week to ten days later the current entrance to the car park will close with a new entrance opened at the far end with access to the car park that will remain throughout the building work and after the centre opens.

Harry Barton, chief executive of DWT, said: "This a major project with a very complex building programme. We're doing everything we can to deliver on time whilst minimising disruption."

## SIDMOUTH County budget to repair potholes

**MOTORISTS** in Sidmouth are to benefit from a multi-million-pound programme to patch up storm-damaged roads across Devon.

Potholes will be filled on five stretches of road around the town, as part of a new effort by Devon County Council to bring highways up to scratch.

The council has developed a programme of repair schemes to help Devon's roads recover from the wettest winter on record.

And more than £9 million of funding from central government has been set aside for the major repair project.

Some of the money will be put to use in Sidmouth, with four stretches of road set to be restored.

Work will be carried out on Sidford Road, Station Road and The Bowd, where the severe weather left its mark earlier this year.

Additional repairs on the B3176 between Ice House Lane and Bulverton Park have also been planned.

Sidmouth councillor Stuart Hughes, who is Devon County Council's cabinet member for highway management, said: "This additional funding from the Government is providing us with a comprehensive programme to not only repair our roads but also protect them."

## OTTERY ST MARY Call for clarity on future of hospital

**OTTERY** councillors have been leading calls for more clarity on the future of hospital beds across East Devon.

District councillors Roger Giles and Claire Wright – who also serves on the county council – criticised NHS bosses last week, over delays to the consultation process.

The Northern, Eastern and Western Devon Clinical Commissioning Group (NEW Devon CCG) is currently reviewing its commitment to beds across the district's five community hospitals.

It claims the existing model is "economically inefficient" and the number of beds could be reduced.

Health bosses had previously told councillors that a consultation would be launched by the end of July or early August at the latest.

But the CCG has come under fire from some of the council's Ottery members for its failure to deliver on time.

Councillor Roger Giles said: "NEW Devon CCG has said that it wants to close some or all of the inpatient beds at Axminster, Honiton, Ottery, Seaton and Sidmouth hospitals.

"Many people are understandably concerned about the future of their community hospitals.

"THE CCG promised at the EDDC scrutiny committee [meeting] on June 12th that a consultation on precisely where it plans to close beds would be launched at the end of July or early August. Yet more than halfway through August there is no sign of the promised consultation, no apology for its non-appearance, no explanation for the delay and no indication when we might expect it."

He added: "Could it be that the CCG has got cold feet about the response to its proposals? Does the CCG fear a hostile reaction to its bed closure plans?

"Perhaps the main consideration for CCG spin doctors is when best to release the consultation to minimise the expected storm of protest."

Health representatives revealed in June that the current total of 64 beds could be slashed to 48, possibly spread across two or three sites.

No decisions have yet been made, but there is concern that beds at Ottery Hospital could be reallocated to Honiton under the plans.

The CCG is due to address all 59 members of the district council, but Ottery councillor Claire Wright has called for the update to be brought forward.

She said: "I wonder how a meeting of 59 councillors can achieve anything like approaching scrutiny of one of the most important pieces of information to ever be released by the local NHS.

"At a time like this it is vital that we have well informed and effective scrutiny – many questions will need to be asked."

■ FIREFIGHTERS pictured at the scene of the fire at Axminster Carpets

# Three staff taken to hospital after fire

By Jack Dixon

jack@pemedial.co.uk

THE three staff members taken to hospital after a fire at Axminster Carpets were discharged within an hour.

One is now on honeymoon and the other two are back at work, according to a company spokesperson.

One staff member was treated for what was described as a minor burn to a hand, and two were taken to hospital as a precautionary measure for smoke inhalation.

The fire on Tuesday of last week started in underlay machinery.

A spokesperson for the fire and rescue service said: "The fire was accidental, originating in the machine that makes carpet underlay, and was confined to the machinery."

The company spokesperson added in a statement issued on Thursday: "There has been no effect on production – safety stocks are in place to manage current order demand."

"Contingency plans have been put into action until the area affected is operational again."

### No serious injuries

Fire crews were called to the scene at around 11.30am after the alarm was activated.

Firefighters from Axminster, Colyton, Charmouth, Lyme Regis and Chard extinguished the blaze, which at its height was causing smoke to billow out from the top of the building.

No one was seriously injured during the incident, but one man was reported to have suffered burns to his hand while tackling the blaze with a fire extinguisher.

He and two other employees were subsequently treated for breathing difficulties as a result of smoke inhalation.

One of the men, who was first on the scene when the

fire broke, said the bottom part of the plant had become "like a furnace".

He said the three men had attempted to fight the fire with extinguishers before they were forced to evacuate.

A firefighter at the scene confirmed that teams had used breathing apparatus and hose reel jets to tackle the fire.

He also said the fire had the potential to have become more serious but crews were able to confine it to the plant and prevent it spreading.

Fire crews subsequently ventilated the plant using a positive pressure ventilation fan.

Speaking on the day of the incident, a spokesperson for Axminster Carpets explained the situation: "The cause of the fire alarm activation was a fire which had broken out in one area of the plant, the cause of which is not yet known and will be investigated with the fire officer as soon as access is granted into the affected area."

"All staff were immediately evacuated from the site as soon as the alarm sounded. Three members of staff were taken to hospital, one suffered from a minor burn to his hand and the other two were checked for smoke inhalation as a precautionary measure. All three have been discharged from hospital."

"We have very robust health and safety measures in place to reduce the likelihood of any incidents such as this and we will conduct a full review of these as part of the investigation to ensure all guidelines were followed and to ascertain the cause of the incident."

## Youth services 'vital to Axminster'

### ■ FROM PAGE ONE

ing with interested volunteers and young people to set up a new youth club, as a separate organisation, not necessarily site-specific, and this is ongoing.

"What is clear is that both The Project and the youth club need a home for the short-term, and I agreed to investigate with the town council if we could take on responsibility until more concrete solutions can be formulated."

"I must emphasise that I did not commit the town council to anything beyond a discussion of what we are able and willing to do."

"To this end I have instructed the town clerk to arrange an extraordinary meeting of Axminster Town Council at 6pm on Tuesday August 26th."

"Time is short as we need to at least decide if we can or cannot act before September 1st."

"I have spoken to Charlotte Reynolds at DCC, and

should we decide positively, they would issue a general lease, with no rent, and no insurance costs."

"We would be responsible for payment of rates and all service costs, maintenance, cleaning and any other associated costs."

"These are currently about £21,000 a year, but could be considerable reduced by judicious purchasing and the fact that service costs for upstairs will be considerable less as Petroc are no longer in residence."

He hoped for a bumper turnout and said: "The continuation of youth services for Axminster is vital, and I believe we need to see if it is feasible for us to assist in this."

"Once lost they will be very hard to reconstitute, and the least our young people deserve is for us to make an effort."

"I do hope we can have a full and frank discussion on Tuesday, so we can see a way forward."

## District planners warn 'it could be months' before Local Plan is ready

PLANNING bosses at East Devon District Council have warned that it could be months before key data on the need for housing is determined, causing further delays to the completion of a Local Plan.

The council has been working on a blueprint plan for the future development of the district, which will include housing growth allocations to help guide decisions on major planning applications.

A draft of the plan was rejected earlier this year by a government inspector, who asked the council to carry out more research to back up its estimate of 15,000 new homes by 2026.

And as part of the process, consultants were commissioned to produce a Strategic Housing Market Assessment (SHMA) by looking at housing trends over the past 30 years.

But in a progress report that will be presented to councillors today (Tuesday), planning experts warn that it may take some time before all the relevant data can be collected.

In the report, planning policy manager Matt Dickens says: "It is likely to be months rather than weeks before we will have an objectively assessed housing need against which to revise our housing land supply figures."

"In the meantime, based on the available information, we can only conclude that we do not have a five-year housing land supply and so should continue to consider each application accordingly."

Opposition groups continue to argue that, without a five-year housing land supply, developers are being given "free rein" to build on unsuitable sites across the district.

Reacting to the report, a spokesperson for pressure group East Devon Alliance, said: "Developers

By Jack Dixon  
jack@pemedi.co.uk

are pretty much given free rein to build anywhere in East Devon unless EDDC can provide very strong reasons that they cannot – this as a result of the Government's National Planning Policy Framework (NPPF), which ripped up all previous rules and gave the green light to building just about anywhere."

The government inspector had previously indicated that he would be ready to re-examine the draft plan in the autumn, but the report says more time is needed to complete the research.

Nevertheless, the council claims the report indicates a step in the right direction.

Councillor Andrew Moulding, EDDC's deputy leader and cabinet member for strategic development and partnerships, said: "The modelling carried out so far by our SHMA consultants is based on population factors and uses information on household formation rates."

"Taken on their own, these past trends suggest there would be a need for around 11,358 extra houses in East Devon."

"But this is not an objectively assessed housing need figure – it is a trend-based figure only."

"There are a number of other important factors to be taken into account that are likely to affect that total."

"At the moment we do not know what the change might be, so we need to look at all the latest data before we reach a final decision."

The report will be presented to the council's development management committee today (Tuesday).

BUCKERELL near Honiton hosted its first vintage tea party helped to raise funds of over £430 for Devon Air Ambulance.

The event, organised by residents Jen Palfrey and Soo Sims, attracted more than 70 people eager to sample the array of homemade cakes served on period crockery sought on eBay and at car boot sales.

Music from the 1940s added to the vintage atmosphere and many villagers donned their best tea party outfits to join in the fun. Soo entertained guests with her impression of Mrs Overall, the character made famous by actress Julie Walters.

The vintage tea party collection is now available for hire by anyone wishing to run a similar event. Contact soojen29@aol.co.uk for further details.

## Tropical spirit in Kilmingington

THE weather was perfect for a popular Hawaiian-theme barbecue at Kilmingington Village Hall.

About 80 were welcomed with an "Aloha" and a lei around the neck, Hawaiian cocktails and hula hooping.

Retired Brigadier Rodney Giles, who was once responsible for feeding the British Army, set up two huge barbecues and, with his wife Jennie and son Michael, had prepared pulled pork, chicken, sausages and burgers.

Guests of honour John and Anne Playford, who were celebrating their diamond wedding anniversary with a card from the Queen, were first to be served.

Fresh fruit kebabs with chocolate from two fountains followed and the meal was rounded off with coffee and tea.

A 35-question family quiz about Hawaii, which proved very challenging to most, was won by a team with 30 correct answers.

Limbo dancing followed and the youngsters provided great entertainment with their vigorous

efforts.

Compere Brian Laverder introduced Anna Crabbe, who played songs from South Pa-

cific, some of which were soloed by tenor Christopher Balcomb, and the rest were sung heartedly by everyone in the hall.

There was a real tropical atmosphere with colourful costumes and much merrymaking throughout the evening.

# High achievers' visit to Palace of Westminster

A TEN-STRONG team of Axe Valley Community College ASPIRE Law programme students embarked on a trip to the capital.

The ten students had taken part in the programme, run by the college in partnership with University of Exeter for Year 5 to year 13 ASPIRE students.

The project ran from January to March and gave pupils an opportunity to learn about law, gave them an insight into career opportunities and the chance to work with law students and professors from the Law Department at University of Exeter. Sixth Form law students and practising lawyers worked alongside them during the event and a final celebration was held at the university.

A college spokesperson said: "Ten of the students were picked out as highest achievers and they were treated to a special day in London.

"MP Neil Parish invited the winners to a private tour

of The House of Commons and drinks with him on the terrace at the Palace of Westminster.

"It was a magnificent day with the sun showing parliament at its best. The ASPIRE students learnt a great deal about parliament history as they went on a private tour with Timothy Jenkins and were given the chance to watch a live debate from the gallery of The House of Lords."

Mrs Slade, ASPIRE co-ordinator at the college, said: "This was an amazing opportunity for the prize winners, they were able to get a real feel of how parliament works whilst watching the live debate, the students really appreciated the tour and being able to ask our local MP, Neil Parish, questions and talk about current issues that affect them."

ASPIRE programmes are for students particularly gifted or talented in certain subjects, and involve partnerships with outside companies and organisations.

DAY TRIP: Students and staff in London with MP Neil Parish

DELIGHTED: Axe Valley Collage headmaster Martin Smith pictured with a group of happy students

## Strong GCSE results at Axe Valley

Year 11 students at Axe Valley Community College achieved strong GCSE results despite changes to the exam system, according to headteacher Martin Smith. The percent of students achieving 2 A\*-C grades in science, for example, rose sharply to 79 per cent.

Overall, the rate of students achieving 5 A\*-C including English and maths was 56 per cent, which is an improvement on 2012 and 2013.

Mr Smith said: "It is noteworthy that subjects consistently over-performed in the per cent of A\*-As they achieved, compared to targets.

"I am delighted that we have improved on the standards we set last year; these are the best results in three years

which is a considerable achievement given the changes that have been made to the exam system.

"I am particularly pleased with the improvements in English and science. "Congratulations to all our students on their successes. I would also like to thank our amazing staff who have provided such high quality teaching and support."

Among the highest performing students were: Sian Summers (7 A\*s, 3 As, 1 B), Oliver Bilbie (3 A\*s, 5 As, 2 Bs), Grace Carpenter (3 A\*s, 3 As, 2 Bs), Jade Bridge (2 A\*s, 7 As, 1 B), Josh Bolton (2 A\*s, 6 As, 1 B, 1 C), Chloe Burrough (2 A\*s, 3 As, 2 Bs, C 1) and Grace Lynn (1 A\*, 6 As, 1 B)

## Couple's 'replica' wedding for the bride's mother

A RESIDENTIAL home in Axminster re-enacted a wedding so a resident could see her daughter 'getting married'.

The event took place at Silverleigh Care Home two days after the wedding of Henry and Rebecca Duke in North Devon.

Rebecca is the daughter of Sandra Potts, who has been a resident at Silverleigh since 2006.

Sandra was unable to travel to North Devon, and a Silverleigh spokesperson said: "The ceremony was recreated at Silverleigh so that Sandra could see her daughter wed."

"The bride wore a beautiful ivory dress, and vows and rings were exchanged in the gardens. A small reception was held afterwards for family and friends."

## Alarm foils break-in

POLICE officers are investigating an attempted burglary at an Axminster business.

A bid was made to gain entry to Axminster Signs Ltd at Clare House in Lyme Street at some point between 1am and 1pm on Monday, August 18th before the alarm was activated.

A police spokesperson said: "Residents are asked to be aware of this incident and report any suspicious activity you may see to the police."

## Ann kicks a 50 year smoking habit

A MUSBURY woman kicked a 50-year smoking habit after attending a free of charge specialist clinic in Axminster.

Ann Veit, 68, smoked about 40 a day from the age of 15 and suffers from chronic obstructive pulmonary disease (COPD).

Ann's GP, Dr Phil Taylor at Axminster Medical Practice, recommended she visited the NHS stop smoking clinic.

She said: "I sincerely hope I have learned the lesson of the stupidity of smoking and will make every endeavour to resist any temptations."

"It is hard, but never quit quitting. If I can do it after 50-odd years, there is hope for everyone."

Ann said: "Breathing is easier, I've got more energy, my self-esteem has improved and I no longer feel like a pariah."

"Don't try to go it alone when there is excellent help available that does not use gimmicks and understands it is no easy task to quit smoking. Speak to your GP and give it a go."

## Donations wanted for fashion night

THE organisers of an exciting new charity fashion event in Beer are appealing to readers of *Pulman's View* for help to ensure the show is a huge success.

The charity fashion night on Tuesday, September 30th is being staged by the Beer Group of Friends to raise money for Seaton Nurses at Home (Seaton & District League of Friends) and Cancer Research UK.

Spokeswoman Annie Boalch said they wanted to ensure it was a fashion night with a difference to ensure that not only are the 100 tickets all sold but that the items on sale get the best possible price to benefit the two charities.

"Basically we are appealing to the ladies of the area to donate branded clothing that maybe they

have only worn a few times and no longer want or have been sitting at the back of the wardrobe," said Annie.

"We are looking for well-known brand names from clothing to shoes and accessories.

"If there are some items that are really expensive and the owners are looking for a 50/50 split with the charities then we would also consider that as well.

"But ideally we would like to get as many good pieces as possible to appeal to all age groups and at affordable prices and then hopefully those who attend the fashion night will dig deep into their pockets because it is all for two great causes."

The charity fashion night will be held at Beer Sailing Club with tickets costing £5 to include a glass of

wine, nibbles and a generous goody bag. A seamstress will also be in attendance to advise on alterations.

"We are confident of selling all the tickets for the evening so we have to make sure we have plenty of good quality items on offer for the guests to buy," added Annie.

"I think it is going to be a super social evening in a great location and we are determined to raise as much money as possible so would welcome any contributions."

To make a donation and arrange for collection either call Annie on 07968 157136 or drop off at the Beer Sailing Club coffee mornings every Wednesday (10am-12noon). Tickets for the evening are available locally or from Annie Boalch.

■ **SEATON** girls Ellie and Bella Haines and their cousin Laura Garcia, from Bilbao in Spain, raised over £200 for charity with a stall outside Tesco the weekend before last. The girls, aged 13, 11 and 12 respectively, were selling a selection of home-made cakes and sweets, as well as old toys and clothes. All the money raised will go to the girls' favourite charity, the World Wildlife Fund, which helps endangered animals around the world

## News briefs

### Farmers' market under threat

A ONCE thriving farmers' market needs more stallholders to survive.

Seaton Farmers' Market started more than a decade ago, but is in need of a revival. Organisers say the market may be forced to close next year if the situation doesn't improve.

One of the organisers, Mark Summers, said: "Basically, we need at least half a dozen more stalls to encourage enough local custom to keep it going. Seaton Farmers' Market's future is in doubt! – it may have to close at the end of the year!"

"More stallholders are desperately needed, especially for vegetables, bread, deli, fish and poultry. Use it or lose it."

"It is a chicken and egg situation – we need more stallholders to attract more regular customers and so on."

The next market will be held at The Gateway on Friday, September 19th, starting at 9am.

Mr Summers added: "It would be a shame to lose a valuable resource for the town. It used to be thriving and started 12 years ago."

Potential stallholders can call Mr Summers on 01297 24931 or 07759 856 023 for more information.

### Family movie night at Steamers

THE award-winning family "Lego Movie" will be shown by the Beer Film Society at Steamers Restaurant next Monday (September 1st).

In order to cater for all the family, the evening will start earlier than usual and doors will open at 5pm, and children may select items for a free pick-and-mix Lego bag. The film will begin at 6pm.

Admission for under 12s (who must be accompanied) will be £2.50 and non-members £5.

### RNLI collect more than £500

The Seaton Beer and District Branch of the RNLI raised £311.50 in Beer and £199.40 in Seaton from their recent annual street collections.

Thanks go to all those who supported the cause.

## Aspiring engineers enjoy residential course

TWO Year 10 students from Colyton Grammar School – Ben Cottey from Colyford and Matthew Goodwin from Whimble (pictured) – recently attended a residential course on electronic engineering and cyber security at the University of Portsmouth.

The course, organised by The Smallpeice Trust, aims to inspire and encourage young students to consider a career in cyber security and electronics engineering, through both practical and theoretical elements.

Over four days, the 53 students attending took part in "solder and keep" workshops, designing and building circuits, presentations, social events and many other activities.

The course was also supported by engineers from GCHQ and QinetiQ, which ran hands-on activities and provided students with useful information about possible career paths.

Additionally, Matthew was part of the team which managed to gain the most accumulated points over the activities throughout the week, and won an iPod Shuffle and Raspberry Pi.

Dr Nick Savage, head of the School of Computing at the university, said: "Cyber security is a key discipline, so it is crucial to enthuse young people while they are still at school."

The Smallpeice Trust is an independent charity set up in 1966 by Dr Cosby D P Smallpeice, a brilliant, self-taught engineer, which has helped promote engineering as a career through courses for young people aged 12 to 18.

Over the past year, it has engaged with 17,495 students through 35 subsidised residentials, in-school Science, Technology, Engineering and Maths (STEM) days and starting up STEM clubs.

## Pre-school fun day raises meningitis awareness

COLYTON Caterpillars Pre-School welcomed the local community to a fun day on the Peace Memorial Playing Field on Saturday.

The event included a bouncy castle, cream teas, cakes and other refreshments, face painting and children's tennis lessons.

Colyton Primary School student Jake Challis, aged nine, set up his own stall selling the popular loom bands he had made in aid of Bristol Children's Hospital, where he has received treatment for meningitis. He was also selling official wristbands for the Meningitis Research Foundation.

As well as raising funds for the two good causes, Jake was hoping to raise awareness of the signs and symptoms of meningitis to look out for in babies and children, which include "pin prick" rash/marks or purple bruises anywhere on the body, blotchy skin getting paler or blue, pain/irritability from muscle aches or severe limb/joint pain, a stiff body with jerky movements or else floppy and lifeless, a tense or bulging soft spot on the head, high temperature, very sleepy, fast breathing or breathing difficulties, extreme shivering, diarrhoea, vomiting or refusing to eat, irritable when picked up and cold hands and feet. For more information, visit [www.meningitis.org](http://www.meningitis.org)

Jake is pictured above left and, right, staff from Colyton Caterpillars serve cream teas.

## Lions support visually impaired student

SEATON & District Lions have donated £250 to a visually impaired student for a new laptop. Mary Waterer, whose family live in Seaton, is a visually impaired student at New College in Worcester, a national residential school and college for young people aged 11 to 19 who are blind or partially sighted. As part of her two-year course she needed to buy a new laptop to aid her in her studies of music and English. Mary appealed to the Lions who donated £250 towards the cost. She is pictured above with Lions members Trevor Probert, John Barrington-Rowell, Jim Partridge-Hogbin, President Kevin Frost, Peter Waterer and Rosemary Partridge-Hogbin.

# A taste of the Wild West in Dalwood

■ **WHO HAD ALL THE PIES?** The traditional Dalwood pie man, of course

A TOUCH of the Wild West came to Dalwood when the 2014 country fair was staged at a new location.

A Royal Charter for the country fair was granted 669 years ago and history was made on Saturday, August 16th when the event was switched from the village centre to the Jubilee Field and adjoining land owned by Mr Martin Farenden.

Judging by the number of people attending one of East Devon's oldest and most pop-

ular summer events, the switch to the new location was a resounding success.

In keeping with the Wild West theme, the fair was opened by Dalwood's very own sheriff, Tucker Stevens, who was introduced by the town crier of Axminster Nick Goodwin.

The fancy dress contestants, all in cowboy and Wild West costumes, gathered for judging by the Sheriff in the Jubilee Field before processing into the adjoining main ring

led by Honiton Brass Band.

There were a number of Wild West activities to keep the crowd amused, including a Bucking Bronco and a panning for gold game.

Other attractions included the family dog show, dog agility display, tug-of-war and a bungee pull to test participants' strength.

Also held as part of fair week was a united service on the Jubilee Field conducted by the Reverends Rolly Bain and Anner Mills and a production of "The Blackdown Hillbillies" by the Corrydale Singers in the village hall.

■ **FAMILY FAIR:** The fancy dress competition attracted all age groups

■ **IT'S DOG'S LIFE IN THE WILD WEST:** One of the fancy dress entries all with their canine friends

■ **IN STEP AND IN TUNE:** Honiton Brass Band leads the procession into the main arena

## Val Davis Traditional Acupuncture

### Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

## Ann Roberts Axe Valley Counselling

### Relationships: Grandparents

BECOMING a grandparent can be a time of great joy – an opportunity to see life afresh through young eyes, to help and support your children as new parents and to give added meaning and purpose at this stage of life.

It can also, however, be a time of loneliness and disappointment. When families are divided or in conflict, one set of grandparents may find themselves excluded from the lives of their grandchildren, not allowed to be a regular part of things, and sometimes obliged to watch as the more favoured grandparents are involved in visits, babysitting, days out and holidays.

This has the potential to undermine the peace and pleasure of this time of life, creating feelings of grief, injustice and loneliness.

Grandparents and grandchildren can have a very special relationship and parents have the power to enable this for the mutual benefit of the whole family – with a little effort and kindness, feelings of loss and unhappiness can be transformed to love and fulfilment, creating a pattern of unity for future generations.

## Michelle Hague Hypnotherapy

### You and your health matter

IF YOU are suffering with stress or anxiety then be assured you are not alone. Reports indicate that it they are two of the most experienced negative states for many people, either in their professional or personal lives. Stress and anxiety can be triggered for a number of reasons including:

- Public speaking
- Situational Phobias
- Social phobia
- Sexual dysfunction
- Job interviews
- Exams
- Relationships
- Career

The list is endless, and of course the impact of stress also has an influence on your health and well being. If you already are struggling with your health, then stress and anxiety about your health may just be adding to the condition and making it much worse.

#### How Will Hypnotherapy Support You?

Michelle helps work with stress and anxiety using a variety of methods including hypnosis CBT with hypnosis and mindfulness. You will experience a pleasant state of relaxation and be supported and encouraged to release the trigger of the anxiety before processing new self supporting beliefs as well as embedding confidence into your unconscious mind. New ways of dealing with old triggers will mean you can take control of your life.

#### How Many Sessions Are Needed?

Clients attend on average three sessions, for most stress/anxiety based conditions, unless there is something more complex associated to the presenting condition. Sessions last around 60 minutes each.

Hypnosis is now very well researched, and there is a great deal of scientific and medical evidence to support its use for clinical therapy. As an experienced clinical and cognitive behavioural therapist, Michelle has many years of experience, in both teaching this subject at post graduate level and within her own clinical practice. To ask questions about training in hypnosis or to ask if hypnosis can help you, call Michelle on 07761773563 or email michelle@haguemail.co.uk

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

## Parish council gives Colyford same consideration as Colyton

■ I AM writing in response to your item "From the editor's chair" in *Pulman's View From*, August 19th.

You raised two matters, firstly the status of Colyford in the Colyton and Colyford Parish Council and secondly the recording of our meetings.

The parish council is for Colyton and Colyford, and I think you will find that nearly all the councillors consider themselves to have been elected to represent both communities. Issues concerning Colyford are given the same consideration as those concerning Colyton, and there is no limit (up to 13) as to how many councillors living in Colyford can sit on the parish council.

Councillor Howard West raised the matter of what he considers Colyford's position to be, and this was debated in the normal democratic manner. He found himself in a minority because other councillors didn't agree with his views, one reason being they had not been approached by Colyford residents express-

ing their dissatisfaction. In a democratic debate the view of the majority prevails and I don't consider Councillor West was "castigated", merely the views he expressed were not supported.

As to your recording of our meetings, the problem was that you did it covertly without the normal courtesy of asking. Members of the public who wish to speak at a parish council meeting have a right not to be recorded if they don't wish to be. If you are recording secretly their rights are infringed.

As to your assertion that there are matters we would rather you didn't report, this is nonsense; we welcome the public and the press to our meetings. Councillors volunteer to give up their time for the benefit of both Colyton and Colyford, and matters concerning the two communities are always debated openly.

**COUNCILLOR ANDREW PARR,**  
*Chairman of Colyton & Colyford Parish Council*

## Thanks for well-attended Hot Pennies

■ MAY I through your columns record the appreciation of the Hot Pennies Ceremony Committee and express sincere thanks to everyone who turned out for what was, I believe, the best attended ceremony for many years.

As usual we were indebted to our town crier, the town council, the mayor and lady mayoress, publicans, volunteer marshalls and all those who helped on the day.

Many have also worked behind the scenes to overcome the numerous obstacles that are inherent in these chang-

ing times.

Our only remit is to ensure this ancient and colourful ceremony continues and changing the date by a week certainly ensured there were far more young people able and keen to take part.

The older ones seemed to enjoy it just as much, judging by the "when we were young ..." anecdotes!

## Younger generation remembers WWI

■ THE poem below was written by my grandson Jacob Talbot composed as part of his English homework at school.

They has been reading "Private Peaceful" and also a poem encouraging men and young ladies to sign up for the army, which he said was propaganda.

I thought it quite remarkable for a boy of 14 years to think so deeply about the First World War, obviously he was quite moved.

Us "oldies" love to think about the younger generation learning about those oh so brave men in vey sad times.

**Should be over by Christmas, m'lad!**

*By Jacob Talbot, aged 14*

The light flickers,  
While the drunk poker-playing officer bickers,  
And all the while I wait,  
As if I'm some predator's bait.

I sit there, covered in mud,  
Like the men out there, covered in blood.  
I can't stay here for the rest of my days,  
As tomorrow's fight will be a blaze.

All I can do is pray,

For all the men that lay,  
'Cos many have died,  
All thanks to those posters that lied!

For this is not a noble war,  
Nor is it a child's chore,  
For it is a forgotten way to die,  
As soldiers wish their lives goodbye.

Is is a bloody and 'orrible fight,  
Where there seems to be no end in sight.  
"Should be over by Christmas, son!"  
But it will go on for longer, if it is to be won!

People perish day in, day out,  
I hope to live but of that I'm in doubt.  
People think war must be glorious for sure,  
But wait 'til reality rings on your door.

For this was is a living hell,  
The shouts, the screams, explosive smell,  
Machione guns chatter, they never stop,  
Until line after line of men, they drop.

They say they're proud, they say they're happy,  
But what would they say to the death of their chappy?  
'Cos this evil war is pointless and bad,  
So I suggest you not join up, m'lad.

## No incentive to maintain properties

■ SHARON Bruce and her volunteers are to be commended for getting to grips with the Woolworths building on the seafront and making it presentable. Up to now it has been a terrible blot on the face of Seaton.

However, I am concerned that their well-meaning actions may have unintended consequences. What incentive is there now for other property owners to keep their properties looking good, when, if they leave them to fall into disrepair they know that voluntary groups will eventually get

fed up of looking at the eyesores and step in and clean them up for nothing, with the possibility that East Devon District Council may throw in council taxpayers money towards the project?

I am afraid that the owners of the Woolworths building must be rubbing their hands in glee having had the work done for them.

THE Reverend Simon Crittall leads this week: "For many readers, thoughts and prayers this week will probably be concerned about events in the Middle East and how they are affecting many people, either directly or indirectly.

"As we continue to help and pray it seems that some headway is at last being made by the western powers. Help is still needed and one sure destination is the Foundation for Relief & Reconciliation in the Middle East, led by Canon Andrew White. Their website is [www.frme.org](http://www.frme.org) and can accept donations, and there are further routes.

"There are many ways of helping those who have had to flee their own homes, such as in Mosul where it is reported that over 35,000 Christians have been forced to leave their homes and go elsewhere, often in tents.

"Archbishop Welby has spoken publicly about his concern for Gaza and those parts. While commending humanitarian help as a priority, he stressed the need for a renewed commitment to political dialogue and the search for space by all sides.

"Alongside the political disagreements it is disturbing to report that an outbreak of Ebola has broken out on the mainland of the African continent. The World Health Organisation has been alerted and nearly 1,000 deaths have been blamed for it.

"Archbishop Welby has continued his 10-day visit to the Provinces of the South Pacific. In the first two years of his office the Archbishop will have visited every province in the communion – something not achieved for years.

"It is clearly the time for priestly travel as the Pontiff is making his first visit as such to the Far East. By tradition a radio greeting is passed to every country passed through and China was a recipient for the first time. The Pope is spending five days in South Korea where 10 per cent are Christian, and growing. Two defectors from the north came south. Soon after arriving the Pope said that peace on the divided Korean Peninsula had always been in his heart – unusually he spoke in English for the visit."

Churches and their people know they cannot ignore worldly problems. Thus it is good that the Bishop of Sheffield supports the setting up of an Armed Forces credit union. A credit union – The Churches' Mutual Credit Union – is in being.

Of church interest also is a proposed poll of Anglican clergy to ask if they feel the Church of England is stuffy and out of touch. The question is part of a YouGov survey of a random number of 5,000 clergy – almost one third of those are under 70 years of age and listed in Crockford.

East Devon Churches have a further World War One commemoration in early October, and Friday, October 3rd will be at Shute Church, and Saturday, October 4th at Stockland Church, both at 7.30pm with entry costing £5. Tickets are

available at Hurfords Stores in Kilmington and profits go to We Will Stand for Those Who Fell.

To come before these events is Seaton Carnival car treasure hunt on Tuesday, August 26th and more events throughout the week.

Thursday, August 28th at the Minster Church at Axminster is the regular lunchtime concert from 12.30pm to 1pm, which is a Gilbert & Sullivan programme.

St Paul's in Honiton has an organ concert on Friday, August 29th featuring Stephen Bell. Tickets cost £5 at the door and light lunches following the music cost £4.

The retirements of two Archdeacons in the Diocese takes place this summer, as was announced much earlier – first the Archdeacon of Totnes, John Rawlings, leaves and is followed by the Venble David Gunn-Johnson from the Archdeaconry of Barnstaple, but well-known in East Devon due to his time in the Colyton Mission Community before his move north. He retires after 11 years in North Devon, but will reside in the county.

The Reverend Simon Holliday will be licensed as Priest in Charge at the Five Alive Mission Community on September 29th at Stockland Church, 7.30pm. Next day the Reverend Philip Butcher of the Honiton Mission Community will preside at his first Celebration of the Eucharist at St Paul's Church, Honiton, on September 30th, 7.30pm. On both dates those attending are asked to say if robing.

Ottery Parish Church continues with Messy Church on the second Monday of the month but is looking for helpers for this, Play & Praise and other work with Children and Young people. Unexpected serious illness and a return to work have depleted the bank of wonderful helpers.

Each Friday at 4pm there is a service of Holy Communion in the Ottery Hospital for patients, friends and other supporters. The previous priest at St Anthony's Roman Catholic Church is hoping to visit during the month.

The Tuesday morning coffee get-togethers at the Methodist and parish churches are attracting a number of non-churchgoers as well as some of the regular congregations – everyone is welcome.

## Women's Institutes ROUND UP

### HONITON AFTERNOON

THE Honiton Afternoon WI have been enjoying a number of events during the summer season.

At the July meeting the guest speaker was unable to attend so, after the business matters had been dealt with, refreshments were served and president Maureen Doidge organised some quiz rounds. Members particularly enjoyed trying to find the answers to the chocolate round.

Also in July, members were once again invited to Manna House for the annual strawberry cream tea event. As always it was a very pleasant occasion and much enjoyed by everyone on a very hot afternoon.

Finally, the annual outing took place on August 1st when members travelled by coach to the beautiful Buckfast Abbey and Gardens. After lunch they journeyed on to Powderham Castle. On arrival members were taken on a very entertaining guided tour listening to stories of 600 years of family history, looking for secret door panels, and to a room where a ghost might possibly be standing in the corner.

After that it was time for refreshments and then home to Honiton. The group's secretary, Christine Broom, was

thanked for all her hard work in arranging this outing which had been thoroughly enjoyed by all concerned.

The next meeting will be on September 8th at 2pm in the Methodist Chapel, Honiton, when members will be welcoming Josephine Nicoletti who will be giving a brief background of how she became involved in the fascinating craft of working with dried flowers. She will also give a presentation of her many and varied designs. Visitors are always very welcome to attend.

### BEER

Beer WI has had a busy summer with visits to Burrow Farm Gardens, Pecorama and Steamers Restaurant, as well as coffee mornings hosted by members.

Members also attended a talks by Julie Bradshaw about the myths and superstitions of The Barnfield Theatre and Humphrey Sitters broadening their understanding of the threats to our shore birds, many of which are found locally on the Axe and Exe estuaries.

Two of the WI's talented needlewomen have been chosen to make a quilted square which will be included in the national WI exhibition to celebrate the centenary of the organisation in 2015.

## Art society holds summer social

AXMINSTER Art Society recently held its annual summer social at Musbury Village Hall.

The event was well attended with members holding an art exhibition, each voting for their favourite exhibit. This was won by Michael Gilling with a coastal scene.

An informal quiz was also enjoyed, along with delicious refreshments provided by members.

Normal Monday meetings will resume in early September with the next special event being held Wednesday, September 17th with a demonstration by David Beckers on "Still Life Using Oil Techniques and Mediums".

## More than 40 lambs stolen

MORE than 40 lambs have been stolen from a field in Membury.

Police say that 43 lambs were taken from Boobill Field at some point between July 9th and 14th.

In a witness appeal issued on August 5th, PCSO Amanda Wooster said: "All lambs had an electronic yellow tag at the back of the right ear. On one side F Pearce, the other side UK 0360144.

## WICKEDLY FUNNY COMEDY FROM AXMINSTER DRAMA CLUB

IT IS a cold and foggy November, which is not the most propitious time of the year to send four middle-management businessmen on a team-building weekend to the Lake District.

The unfortunate 'captain' of the group traps them on an inhospitable, menacing island! Back to Nature in the raw is not what they envisage or desire but they cope – sort of!

When thick fog obliterates sight and sound of these 'intelligent' creatures from rescue, they improvise. From the helpful to the helpless, each seeks a solution to their dilemma with hilarious results.

One by one the veneer of civilisation peels away to reveal their inner selves, and the darkness that lurks within. This is supremely entertaining and wickedly funny.

Tim Firth is the talented author of this superbly inventive play. Over the

years, many famous thespians have had the honour to appear in it. Martin Clunes, Ade Edmondson, Timothy Spall, to name but a few. 'Calendar Girls' is the brilliantly successful gem which

he penned several years later.

The show will be performed from Thursday, September 4th, Friday, September 5th and Saturday, September 6th at 7.30pm. Tickets available at the Archway

# Lyme Folk Weekend returns

THREE days, three stages and only three more days to go before Lyme Folk Weekend's back with a bang – with leading folk acts as well as the very best local talent and finishing with a brilliant, unmissable family finale.

This year's event, held over the last weekend in August (Friday 29th to Sunday, August 31st), is set to be even better than last year, with over 30 acts, on three different stages – with nightly headliners at Marine Theatre as well as great live music at the Pilot Boat, and a continuous stream of free shows, every afternoon, on the Seafrost stage.

Friday lunchtime begins with a string of free daily concerts on the Seafrost stage, followed by the legendary Martin Simpson, one of the world's finest acoustic guitarists in the evening at Marine Theatre. Back again too is Jim Causley, a massive favourite from last summer's festival, this time with guitarist Lukas Drinkwater. Meanwhile at the Pilot Boat, Lee Rahn, Morgan & Knapp and Mischa's Merry Men will play lively sets to an enthusiastic younger crowd.

Saturday kicks off with a vengeance with the now traditional VW Camper Parade with our very own Uplyme Morris leading a host of Morris dancers from all over the country down Broad Street at 11am and onto the seafrost. This will start a weekend of busking, singarounds, story-telling and countless other activities and attractions around the

town. Hundreds of Morris dancers will converge on the town for massed dance-offs along the seafrost with a grand mass Morris finale in the early evening.

Saturday night at Marine Theatre sees Lisa Knapp, firmly established as one of the most creative and distinctive artists around take to the stage. Also back due to popular demand are Ducie, who blew audiences away last summer, with their exuberant playing and northern swagger. At the Pilot Boat, the hilarious Uke Men League, the haunting Aimee and the fabulous Patch & The Giant promise to play their hearts out.

On Saturday night a ceilidh, hosted by Dorset Ceilidh Band, in the Langmoor Gardens Marquee, will round off Saturday evening in fine foot-stomping form, led by

the now notorious Steampunk Morris, who last year drank the town dry and frolicked naked in the sea.

And finally to Sunday, with again continuous music on the seafrost throughout the afternoon until Demon Barbers XL, provide a no-holds-barred concert on the Marine Theatre stage at 5pm with a blend of folk, hip hop and break dancers in the live folk music spectacular of the year. And if that weren't enough Mitchell & Vincent, Wildwood Kin and Rookwood bring the festival to an exhilarating close at the Pilot Boat.

Julie Sheppard, the festival's publicist said "With literally hundreds of singers, musicians and dancers assembled for one explosive weekend of folk, we hope to establish Lyme Regis as the place to play out the final weekend of the summer".

Tickets for concerts at Marine Theatre are £15 (standing) £19 (seated) £10/£14 (16 and under). from [www.lymefolk.com](http://www.lymefolk.com) or 01297 442138 (Lyme Regis Tourist Information Centre, Church Street, Lyme Regis).

Tickets for shows at The Pilot Boat are £5 on the door or from seafrost festival office. Doors open 7.30pm each night.

Tickets for Saturday's Ceilidh, Langmoor Gardens Marquee are £5 on the door or from seafrost festival office, 8pm.

All other events, on the seafrost and at Town Mill, are free.

More details on acts, venues, and times from are available online at [www.lymefolk.com](http://www.lymefolk.com)

# Moscow Drug Club to play The Beehive

MOSCOW Drug Club is a curious musical place where certain elements of 1930s Berlin Cabaret, Hot Club de France, Nuevo Tango and Gypsy Campfire meet, have a few to drink and stagger arm in arm into the darkness of some eastern European cobbled street on a mission to find the bar where Django Reinhardt and Tom Waits are having an after-hours jam with

the local Tziganes.

Combining their original material with songs by the likes of Jaques Brel, Leonard Cohen, Tom Waits and Bertolt Brecht, Moscow Drug Club provide an intoxicating & intimate musical experience. You are cordially invited to share a wry smile with us as you enter the darkly comic world of Moscow Drug Club.....this way please &

mind the stairs!

Find out more about Moscow Drug Club [www.moscowdrug-club.com](http://www.moscowdrug-club.com)

Moscow Drug Club will perform at The Beehive, Honiton on Saturday, September 13th at 8pm. Tickets are £10 available online at [www.beehivehoniton.co.uk](http://www.beehivehoniton.co.uk) or by calling 01404 384050.

“Moscow Drug Club played a beautiful set consisting of musical talent beyond technology, beyond fx pedals and amp make, reminding us all of where music came from and what it is about.”

HypnotherapyHelping to cope  
with stress and  
anxiety

Anxiety and stress can often create symptoms that in time cause illness. Anxiety is known to produce noticeable physical symptoms, such as rapid heartbeat, high blood pressure, and digestive problems. In General Anxiety Disorder (GAD) and Social Anxiety Disorder (SAD) the symptoms become so severe that normal daily functioning. Clinical Hypnosis and Cognitive behavioural therapy (CBT) are common treatments for stress and anxiety disorders and can be very effective in changing thinking and responses.

In contrast with CBT and in many ways very similar to Hypnosis Mindfulness and mindfulness-based therapies (MBTs) seek to change the relationship between the anxious person and his or her thoughts.

In mindfulness, the person focuses on the bodily sensations that arise when anxious. Instead of avoiding or withdrawing from these feelings, the focus is on remaining present and fully experiences the symptoms of anxiety. Instead of avoiding distressing thoughts, opening up to them in an effort to accept that they are not literally true, just ideas and imaginings often related to the past or future events but no less unreal in the present.

By remaining present in the moment aware of the breath and the body, individuals can learn that the anxiety they experience is merely a reaction to thoughts. By positively responding to threatening events instead of being reactive they can overcome an mistaken stress fight-or-flight response, and take control of their life.

## Leaner, Greener Life Cycle For All-New Audi TT

Audi has made significant gains in reducing the whole-life impact on the environment of its latest high-tech sports car. Compared with its predecessor, the new Audi TT scores high with an increase in power output of up to 14 per cent and a simultaneous decrease in greenhouse gas emissions of 11 per cent. As the premium vehicle manufacturer states in its new life cycle assessment of the third-generation TT, this means that each car in the series saves around 5.5 tonnes of greenhouse gases over its entire life cycle. This includes not just carbon dioxide, but other substances such as methane, nitrous oxide and halogenated organic emissions.

"Our goal is to reduce significantly the overall emissions of each model compared with its predecessor," states Prof. Dr. Ulrich Hackenberg, Board Member for Technical Development at AUDI AG. "However, it's not just a matter of what comes out of the exhaust pipe. At Audi, we look at the entire product and process chain associated with mobility."

A host of technologies have contributed towards the positive life cycle assessment of the Audi

TT, including lightweight construction. Thanks to an intelligent combination of materials, Audi engineers have, for the second time in a row, succeeded in reducing the car's unladen weight. The first model change in 2006 saw weight savings of up to 90 kilograms achieved. With the front-wheel driven 2.0 TFSI engine variant of the new TT now weighing in at just 1,230 kilograms, this means that the car is once again around 50 kilograms lighter than its predecessor.

sor.

Weight reduction and intelligent lightweight construction measures also have an impact on the vehicle manufacturing process. Here, it has been possible to reduce greenhouse gas emissions by around nine per cent, or 800 kilograms—a result that benefits the customers. The new TT generation offers a better life cycle assessment than its predecessor, right from the very first mile.

## New Lexus NX Takes Suv Design out of the Box

▲ New Lexus NX takes SUV design out of the box

LEXUS is reshaping SUV design with styling for its new NX that owes more to sportscars than slab-sided 4x4s. The model that marks the company's entry into the mid-size luxury SUV market makes a big visual statement with muscular curves and agile angles, representing the latest development of Lexus's L-finesse contemporary design language.

The high-impact exterior presents a low, sloping roofline, a cab-forward silhouette, powerfully flared wheel arches and defining bodywork lines that flow directly from the signature Lexus spindle grille.

Making a vehicle appear as though it's forged from a single piece of metal is a famil-

iar design concept, but Lexus took it to heart by actually pouring molten metal over the die used to make the grille and studying the natural shape the flow created. The result inspired the NX's angular shape – a look that's distinct from any other model in its class.

The NX has the most distinctive "face" in the current Lexus line-up, its prominent spindle grille flanked by new LED headlamps and daytime running lights.

It's not a case of style over substance, though. For example the C-pillar has a wide angle to maximise internal storage width. The crouched look is linked to the NX's good ramp-over angle performance, and the fact the

high point of the roof is set rearward ensures good headroom for rear passengers.

The exterior also achieves an ideal balance between distinctive design and aerodynamic efficiency, a major challenge for the design team given the car's overall compact dimensions. A rear spoiler was essential to create a smooth flow of air away from the back of the vehicle, and extensive wind tunnel testing revealed that the best results came from giving the leading edge of the fin an upturned lip – a detail that stands out as a design accent while also helping secure the NX a low (0.33) coefficient of drag.

Similarly, the door mirrors and handles have air-cheating design, the latter being particularly eye-catching thanks to a concealed key barrel and integrated single-LED illumination.

The detailed work continues out of sight, beneath the car, where undercovers and spats designed specifically for the NX, ensure a clean airflow.

Where the interior is concerned, chief designer Tetsuo Miki wanted to capture the kind of style impact associated with high-end urban sports gear with a combination of structural good looks and luxurious but functional materials and textures.

His mission has delivered a driver's cockpit that reaps the full benefit of Lexus's advances in HMI technology, combined with elements that reflect the NX's SUV status, such as soft leather kneepads either side of the prominent centre console.

The cabin provides ample space for everyone on board, with best-in-segment space in

critical areas. The front-to-rear couple distance is a class-leading 962mm and the high roof design provides exceptional head clearance. The rear knee room is even greater than in some larger SUV models.

Luggage space is generous and practical. Maximum loadspace width is 1,347mm, enough for four golf bags to be stowed sideways, rather than across the diagonal. More storage space is available under the luggage board, taking total luggage capacity to 555 litres in hybrid versions and 580 litres in the turbo petrol (with a tyre repair kit carried).

True to its status as a practical SUV, the NX comes with a wide variety of storage points

around the cabin, including glove and console boxes, a console tray, utility box, sunglasses hold, cup holders and door pocket holders for half-litre bottles. Throughout there is a typically Lexus attention to detail, as in the high-friction material used to line the inside of the cup holder that lets the driver open a twist-cap bottle one-handed.

The new full hybrid NX 300h is available to order now with customer deliveries from October. Next year the range will grow to include the NX 200t, the first model to adopt Lexus's new 2.0-litre petrol turbo engine. Model line-up, prices, specifications and more information are available.

## Emma Hurst in the Nationals Doubles success

SEATON Tennis Club's national player, Emma Hurst is the new 18U Girls Doubles National Junior Champion of Great Britain 2014 with partner Joely Lomas from Swansea.

The new partnership progressed smoothly to the semi-finals, where they performed convincingly against no.1 seeds Jasmine Amber Asghar and Ellie Rose Griffiths to win 6-4 7-5.

The South West girls then went on to take the title 7-6 6-4 in a very close, competitive final against Ella Monsey (Suffolk) and Madeleine Brooks (Norfolk).

Coached by Derek Blackmore, Emma is said to be very excited about having her name engraved on a national trophy along with famous players Virginia Wade and Sue Barker.

## SW19 thrill for Evie

COLYTON Grammar School's Evie Jones insists she will never forget her outing at the All England Club after starring in front of former British No.1 Tim Henman as part of the HSBC Road to Wimbledon National 14 and Under Challenge Finals.

The 14-year-old booked herself a spot at SW19 after competing in her County Finals and won one group match before being knocked out in the second round of the Girls consolation draw.

Some 20,000 promising young tennis players from all over Britain competed in pursuit of a prestigious place at Wimbledon with Jones among the top 144 boys and girls to have earned the right to play at the National Finals.

◆ TOP WIN: Emma Hurst (right) pictured with doubles partner Joely Lomas.

And, despite failing to follow in 2013 Wimbledon Champion Andy Murray's footsteps by lifting silverware at SW19, Jones admitted her outing at the All England Lawn Tennis Club was certainly the highlight of her summer.

"It was a great experience to play at Wimbledon and so exciting – especially after I watched Rafael Nadal lose in the first round here last year when the atmosphere was incredible," Jones said.

"I don't enter many tournaments but I really like playing on grass because you can have dif-

ferent tactics and play more drop shots."

Jones, who attends Exmouth Tennis Centre and Budleigh Salterton Tennis Club, even got the chance to meet former British No.1 and HSBC Tournament Ambassador Henman during her time at Wimbledon.

Henman spent time with the players and insisted he was impressed with the standard on show this year at SW19.

"I've been involved for the 12 years of the programme, and it's fantastic to see how the standard has improved," said Henman, who

achieved four semi-final finishes at Wimbledon before retiring in 2007.

"You talk about the mental side of things, and it's that application, going out there and giving 100 per cent is all you can do – those types of values will get you a long way in life."

The HSBC Road to Wimbledon National 14 & Under Challenge is the UK's largest national junior grass court tournament and forms part of HSBC's investment in the stars of the future - [www.hsbcroadtowimbledon.com](http://www.hsbcroadtowimbledon.com)

## STEELE PERKINS TROPHY

THIS competition took place on the 19th August with a small, but select, band of players.

Peter Clarke who had 34pts. He in turn pushed Stewart Slater into third place with his own 34pts.

## SENIORS SECTION

SIXTY three Seniors competed for the Longhurst Cup, a better ball competition with one score to count.

Originally presented in 1995, by tradition a portion of the entry fee is donated to the "Children in Need" charity.

A score of 41 points was popular with many teams testing the mental arithmetic ability of the Committee to establish places on count back.

But the team of Lawrie Halliwell, Peter Shepherd and Fred Thomas came in with 42 points to take fourth place, the final prize.

Fred Utting, Mike Ward and the irrepressible George Smith were third with 43 points just pipped by Peter Dart, Brian Sidney and Alan Devenny with 44 points.

The top spot and the Cup was awarded to the trio of Clive Whithear, John Vessey and David Maggs with an impressive total of 46 points.

New sponsor for  
Honiton Bowls club

NEW sponsor, Manders Financial Services, were given a warm reception when they attended Honiton Bowling Club's social evening for the first time; over 65 members turned out for the evening barbeque.

The very active club, which was established in 1921, hold regular social events throughout the year where members can get together and meet. This year the club members are raising money for the new East Devon Hospice Day Centre, soon to be opened in Honiton.

A raffle was held on the night with prizes donated by the new sponsor, which raised a further £100 towards the club's £1,000 target for the charity.

"We were delighted to be able to support the club in this," said Jenny Manders, Director of Manders Financial Services.

"As a business it is very important for us to work with people who share the same values and have a 'can do' approach to life – and that is certainly the case with Honiton Bowling Club.

"It was our pleasure to be able to help them in their fundraising efforts and we look forward to many more opportunities."

The win ensures promotion to Division 4 and sets up the final league game against North Tawton B at home to decide the winners of Division 5.

Seaton's "A" team played their penultimate game for the season in Division 3 of the Over 60s Triples League when they entertained MARINA B.

Seaton ran out 44-23 winners to gain the maximum eight points. The top triple was that of David Ford, Roy Carnell and Roger Woolland who won by 17 shots.

In the afternoon Seaton welcomed a touring side of seven rinks from BRISTOL. The game was played in good weather and with much friendly banter and enjoyment.

Seaton won rather well by 167 shots to 89 shots and on six of the seven rinks and drawing on the seventh. Seaton's top rink was Audrey White, Alice Carter, M. Carvell and Phil Critchard.

On Thursday we played a home game against BRIDPORT. Seaton won again with an impressive score of 96 -55. Top rink was Mike Clarke, Geoff Fullalove, Keith Miles and George Mabon.

There was another home game on Friday 22nd when TAUNTON visited Seaton. Seaton won 86-74. Top rink - Audrey White, Alice Carter, Reg Pluck and Dave Yardley.

The final game of the week was on against CULM VALE on Saturday in the Two Counties League.

Seaton won 77-68, winning on three of the four rinks. Top Rink was Graham Thomas, Peter Grigg, Don Yaxley and Phil Crichard.

## HONITON with Tony Broughton

THERE was another good result for the Two Counties League side winning this time 3 rinks to 1 against Culmpton. Top scorers were, Peter Baker, Gerry Stafrace, Malcolm Seabone and Kieran Daniels 27-11.

The ladies had a 2 rinks to 1 win away against Feniton. Shirley Hiscocks, Thelma Flynn and Di Hawkins 20-13. Anne Hillyear, Daphne Courtney and Berry Maynard 17-12 and Rita Barwick, Carol Armitage and Joan Mackintosh 15-16.

Men's over 60 results were not good. All three teams only managed to get 2 points from their games.

I am still confident the B & C teams will stay where they are but the A team must do better than Phear Park B next week to stay in Division 6.

Last weekend there was some excellent bowling in the Honiton Bowling Club Finals.

First up were the juniors Isaac Daniels versus Scott Eveleigh in the Dennis Lake Handicap with Scott having to concede 10 shots to Isaac it was a huge barrier to climb.

Scott did his best but 14-year-old Isaac came out the 21-12 winner.

Next the Marshall Handicap was between husband and wife Stuart and Tracy Crawford, in this one you score 3 for shot, 2 for second and 1 for third. Stuart had to concede four shots to his wife but managed to pull these and win 48-46.

Stuart is playing well this season and reached the final of the Hoskins Men's Single Championship where he played Trevor Pipe, 5 times winner of this trophy and came out the 21-16 winner.

Tracy was also in action again this time in the Evans Ladies Pairs playing with Sue Evans, National Singles Champion runner-up, against Carol Armitage and Yvonne Rayner.

Sue's brilliance failed her this time with Carol & Yvonne winning well 24-11.

Sue Evans in action again in the Ladies Singles Championship against Carole Pidgeon made no mistakes winning 21-10 but all praise to Carole a relatively new bowler for getting to the final.

Sunday Stuart Crawford back in action again this time with Daphne Courtney and Anne Hillyear in the Tucker triples against Ian McKenzie, Alan Fuller and junior Scott Eveleigh.

At 14 ends it was very tight, 11-10 to Anne's team then in the last four ends a 3, 5 and 1 against a single shot gave Anne's team a 20-11 victory.

In the Mees Mixed Pairs competition Rita Barwick and Ray Gregory were a little outclassed by Sue Evans and Colin Mees, who plays mainly for the Exonia Club, winning 28-10 after their opposition conceded at 18 ends.

The Rice Bowl Lady's Handicap had Carole Binmore (+7) playing Yvonne Rayner (+8) meaning Carole had to score 28 shots and Yvonne 29. After 32 ends Yvonne was the winner at 29-20.

Final morning match was Dave Downs and Peter Goodwin against Fred Dart and Trevor Pipe.

Another close match with Trevor at 11-10 at 12 ends but him winning 5 to 4 of the next 9 ends gave them a 23-19 victory.

Sue Evans and Carole Binmore played again in the afternoon, this time against each other in the Heard Two Wood competition. Interesting because they have to play each other in the County Final of the same competition but this time Sue won 17-13.

Peter Goodwin was out again this time playing Bill Nicholls in the Web Open Singles.

At 13 ends the score was 11-9 to bill but his experience showed by taking 6 of the next 7 ends winning 21-11.

And finally yours truly with Bill Sheerman played against Rita Barwick and Shirley Hiscocks in the Dimond-Nex Open Pairs.

It looked like we stood a chance for the first 6-7 ends but then the wheels fell off and we conceded at 18 ends 28-10 down.

## AXMINSTER with David Harris

IN the mixed friendlies we started this period with a 77-59 home win over DUNKESWELL with wins for Phil White, David Harris, and Sheila Martin (24-16), Martin Apsey, Les Clark, and Margaret Crompton (22-12), and Pam Clark, Steven Apsey, and Derek Pheby (16-14).

We then lost 53-82 to HONITON with only John Hill, Margaret Brown, and Derek Pheby managing a win (19-14), before beating TAUNTON BC 84-48 at home with wins for Barbara Mowatt, David Harris, and Frank Bridge (36-9), Morrison Brown, Howard Keep, and John Hill (20-9), and Les Clark, Margaret Brown, and Tony Cable (18-10).

Unfortunately TAUNTON DEANE were unable to raise a side for their home game with us and likewise HEMYOCK for their game at Axminster. In the only over 60s league match played we lost 22-46 at TIVERTON BOROUGH.

Last Saturday we held a club ROUND-ROBIN with Barbara Mowatt being the top Lady and Derek Pheby taking the Mens' prize.

## OTTERY ST MARY with Mike Smith

In the LOFT Ottery Ladies had a bad week losing away to Shaldon on both rinks and losing at home to Exonia, again on both rinks.

The men fared slightly better in the over 60s Triples League, with wins for the B Team away to Okehampton C on both rinks gaining eight points, and the first win of the season for the C team at home to Topsham D winning overall and bagging six points in the process.

The 'A' team continue their dismal run in the second-half of the season with another defeat to Heavitree C and therefore losing any hope of promotion to Division 2.

There were mixed fortunes in the friendly fixtures - a 59-49 win against Exonia then a narrow 73-75 defeat to Lyme Regis and a 4 rink to 1 defeat to Feniton.

Finally Ottery travelled to Culmpton for a Two Counties match and lost 62-82, but were not helped by the fact that two of their players managed to get themselves lost and failed to make the start of the match, blaming it on a dodgy Sat Nav!

## ALPHINGTON 3 AXMINSTER TOWN 4

Wednesday, August 20th

AXMINSTER Town came from behind to bank their first points of the new season last Wednesday.

The Tigers, who gave a debut to ex-Chard Town and Combe St Nicholas midfielder Gary Warren, took an early lead before trooping off 3-2 behind at half-time.

The three points were clinched by a late strike from substitute Sam Dibbling.

"It was a big win with some big performances - a much-needed improvement on how we'd played up until then which was nowhere near what I expect," said Ax player-manager Gary Macauley. Ben Turner put Ax ahead after just 14 seconds and Matt Hewer also netted in the first-half.

Pete Knox grabbed the second-half equaliser

minutes from time.

But the lead was eroded by late goals from Callum Shipton and Jack Greenslade.

## SIDMOUTH TOWN 0 APPLEDORE 1

A 49th MINUTE goal from Brian Levien decided a close encounter at Manstone Lane.

The Vikings, who had a first-half strike from Josh French ruled out for offside, came up against Ollie Riglar in fine form between the stick for the visitors.

## Devon &amp; Exeter League

NONE of the three newly promoted Premier teams could find a victory on the opening day of the season, but the pick of their results was at ELMORE RES where the Horsden Park team shared a 4-4 draw with SEATON TOWN writes Collin Goodwin.

Under new manager Stuart Anderson the Eagles had the lion's share of possession but failed to shut the door at the back. Callum Old with a brace, Matt Harvey and Bradley Newberry scored for Elmore.

SIDBURY UNITED drew their first ever Premier game 0-0 against WILLAND RES, but BOW AAC went down 4-1 to title favourites TIVERTON TOWN RES. The only Bow goal came late in the day from Dean Jones.

CHARD TOWN RES sent BUDLEIGH SALTERTON RES packing 6-2, and THORVERTON are also away to a flyer after a 2-0

home win against BEER ALBION. Aaron Beecroft and Aaron Street were the scorers.

After dropping down from Premier CLYST VALLEY began their recovery in Division One under new manager Jon Veale with a 4-3 win against newly promoted NEWTON ST CYRES.

HEMYOCK shocked HALWILL 5-1 on their own patch, and COLYTON could not have done better than their 4-1 success at CREDITON RES.

What should have been a landmark day for Axmouth Utd with their first game in Division 3 sadly will probably be remembered for the wrong reasons.

Hosting title favourites Henry's Cronies the home side were on the wrong end of a 4-0 defeat but the game was over shadowed by a horrible injury to the visitors' striker Stewart Tyrer who suffered a double leg fracture.

The game was held up for an hour waiting for an ambulance. Both teams agreed to a restart in what had been a close encounter up that was 0-0 at half-time.

The visitors made the breakthrough with a long punt up field which was raced onto and as Ax keeper Brad Cross tried to claim the high bounce the Cronies lad raised a high foot to chip it over and into the net much to the protests of the home side feeling it was dangerous play.

But Axmouth who never really got into their stride.

Ax's manager Laurie Forino said: "The injury probably affected - we just didn't play near the level we can."

"However, they are a strong, fast, fit and physical side that I expect will be challenging for the title."

"Having said that, right now our concerns and best wishes are for the injured lad - we all wish him well in his recovery."

"I'd also like to say thank you to all who helped look after him especially Mandy Challis who was fantastic."

New boys LYME REGIS were held 1-1 by WOODBURY whose Dan Fells notched their only goal after Dom Rowe had put the Seaside's ahead.

Jeol Gebler, Dean Pidgeon, Ben Spiers and Daryl Pidgeon were the CHERITON FITZPAINE marksmen in a 4-0 win at AXMINSTER TOWN RES.

Norbert Taras and Tim Wright found the net for EXMOUTH TOWN RES in their 2-1 win against PINHOE.

In Division Four newly promoted ST MARTINS RES routed AWLISCOMBE 11-0.

Jamie Doidge scored twice for FENITON RES in their Division Five 5-1 win against STARCROSS GENERALS.

In Division 8 ST MARTINS' newly-formed third team was disbanded as they failed to raise a side to travel to COLYTON RES.

## Daniel joy at world title

BEER Sailing Club is this week celebrating the crowning of its first world champion writes Kevin Fahey.

Thirteen-year-old Daniel Thompson recently won the International Topper Class Association 4.2 World Championships in Pwllheli, north Wales after completing an arduous series of ten races.

"I am delighted," said Daniel, proudly clutching his magnificent Welsh slate trophy carved in the national emblem of a dragon.

"It is easily the best event I have ever done."

Thompson started sailing four years ago with dad Paul, who admits he has now been left trailing in the wake of his son.

He has spent countless hours on the sea in Lyme Bay and has also been invited to train with the national squad.

His talent was underlined by the manner of his win in north Wales as he

won all ten races over three days – two days were abandoned due to bad weather – from a 16-strong field, which included competitors from as far afield as Thailand.

"It was quite close racing to start with but once I got away from the fleet it was a lot easier," added Daniel.

"It was great event and they had a proper opening ceremony with all the flags raised. I really enjoyed it."

### Olympic dream?

As for the future, Daniel's success could be the first of many more as he is on a clear pathway outlined by the Royal Yacht Association which is designed to steer outstanding young talent into the senior ranks and ultimately the Olympic program in which Britain has proved to be so successful.

"We are very proud of Daniel. It is a great achievement," said Beer Sailing Club commodore Mike Ransom.

**WELL DONE DAN:**
